### About the Featured Author and Book

Ryan Winfield is the *New York Times* bestselling author of multiple books, including his most recent, *Jane's Melody* (Atria Books). Fans of Nicholas Sparks will enjoy meeting Ryan, a wonderful storyteller with rich and dynamically drawn characters and settings.

What boundaries would you cross for true love? That is the question a grieving mother must answer when she takes in a young street musician she believes can tell her more about her daughter's death - only to find herself falling for him. *Jane's Melody* follows a forty-year old woman on a romantic journey of rediscovery after years of struggling alone. Sometimes, our greatest gifts come from our greatest pain. And now Jane must decide if it's too late for her to start over, or if true love really knows no limits.
